Accommodation Medical Request Form

The Disability Equity Office is requesting your assistance in facilitating a reasonable accommodation for a University of Michigan employee who has requested a workplace accommodation. This form is used to verify that they qualify as a person with a disability and helps the team determine how to best accommodate the employee, when possible. When an employee requests a workplace accommodation due to a disability or underlying medical condition, the University of Michigan, as the employer, may request this form to be completed and signed by the treating healthcare provider most familiar with the employee's medical condition. If this form is not completed by the treating provider, the employee may submit appropriate medical documentation to support their request that provides 1) the employee's medical diagnosis(es), 2) limitations imposed by the diagnosis(es), 3) recommended accommodation(s), and 4) the length of time for the recommended accommodations to be put into place.
