

Know Before You Disclose

If you have experienced discrimination, harassment, or sexual misconduct:

Support is Available

I can connect you to support and resolution options (including confidential resources), but I want you to make an informed decision about what information you share with me.

Reporting to ECRT

All faculty and staff are ***required*** to share any information disclosed about discrimination, harassment, or sexual misconduct with the **Equity, Civil Rights & Title IX** office.

Reporting allows you to receive accurate information, resources, and supportive measures.
